

Control Costs and Manage Renewals

Schedule a demo of Cubes and simplify your license management.

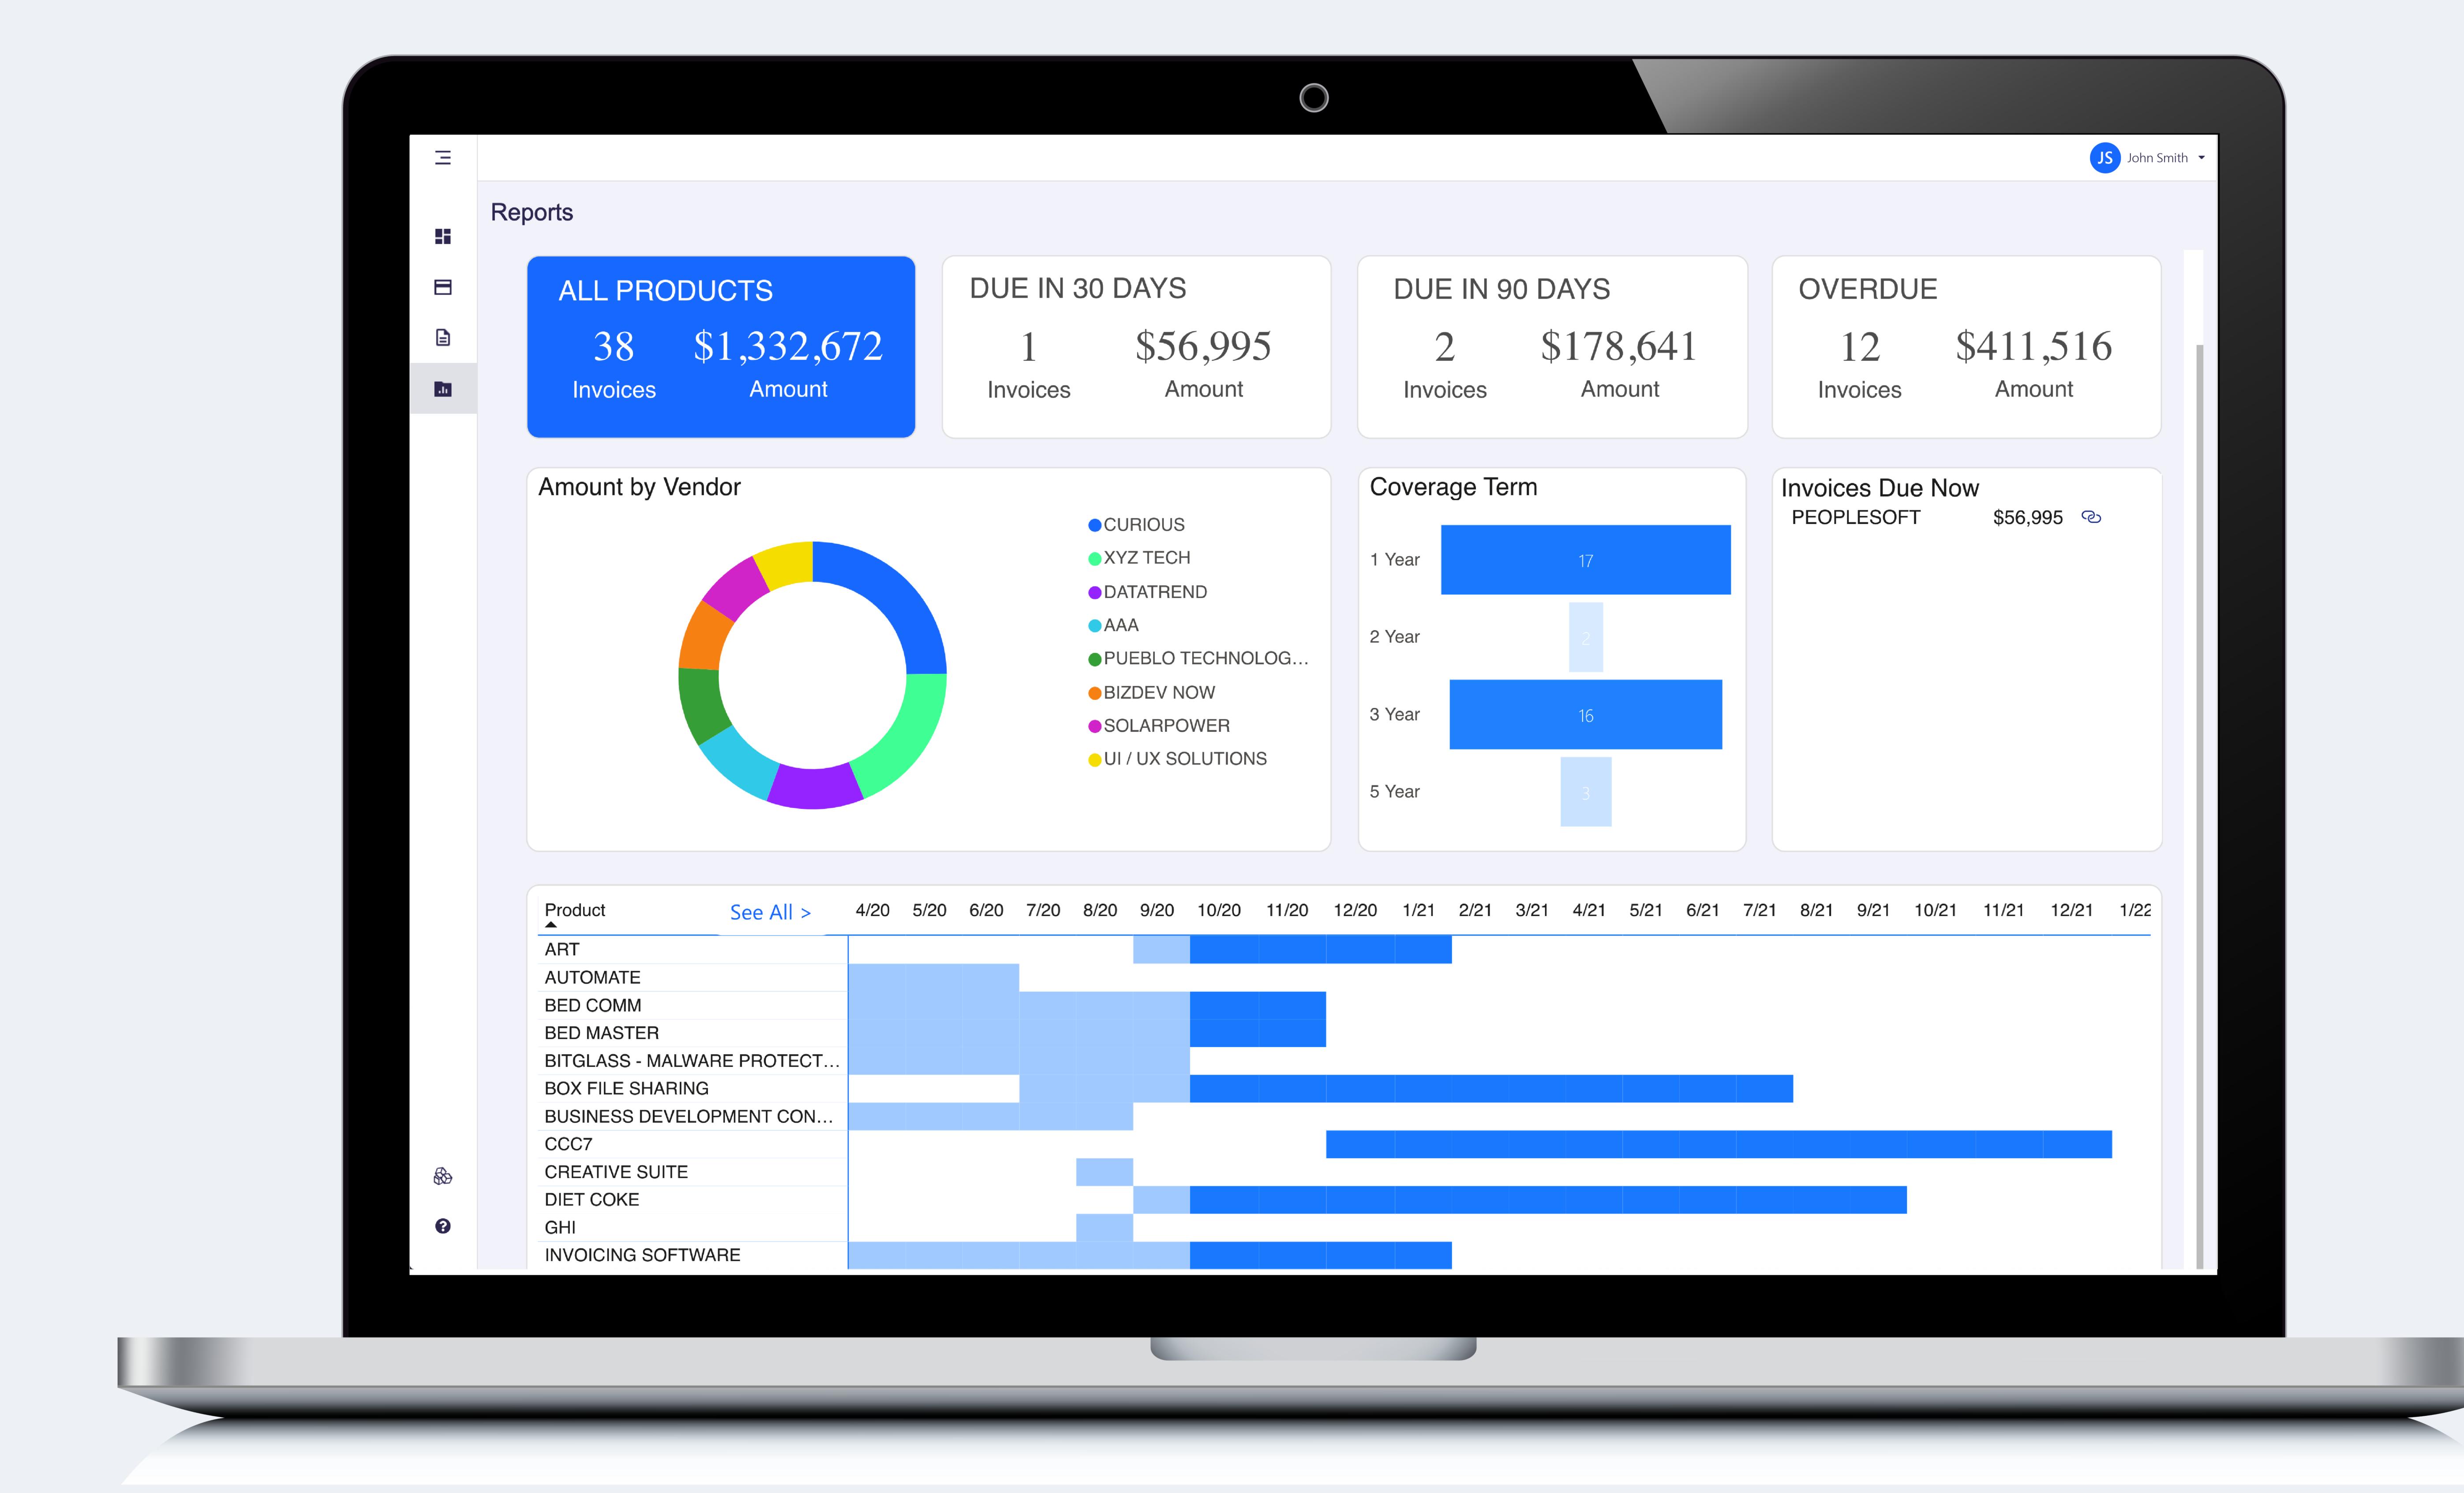

- Uncover all your subscriptions
- Discover your entire subscription-based spend
- Determine which department is utilizing the SaaS subscriptions
- Evaluate your YoY subscriptions

From automatically compiling your spreadsheet data to billing alerts, Cubes makes it easy to view and manage all of your software licenses at once in a user-friendly dashboard. With Cubes, you can also:

- Create automatic co-term alerts to pay similar invoices at once
- Set expiration and billing alerts
- Upload your license information quickly and easily

Sign up to try out Cubes and see how you can simplify your license management.

Manage Licenses From Any Vendor
