Demo and Evaluate Cubes

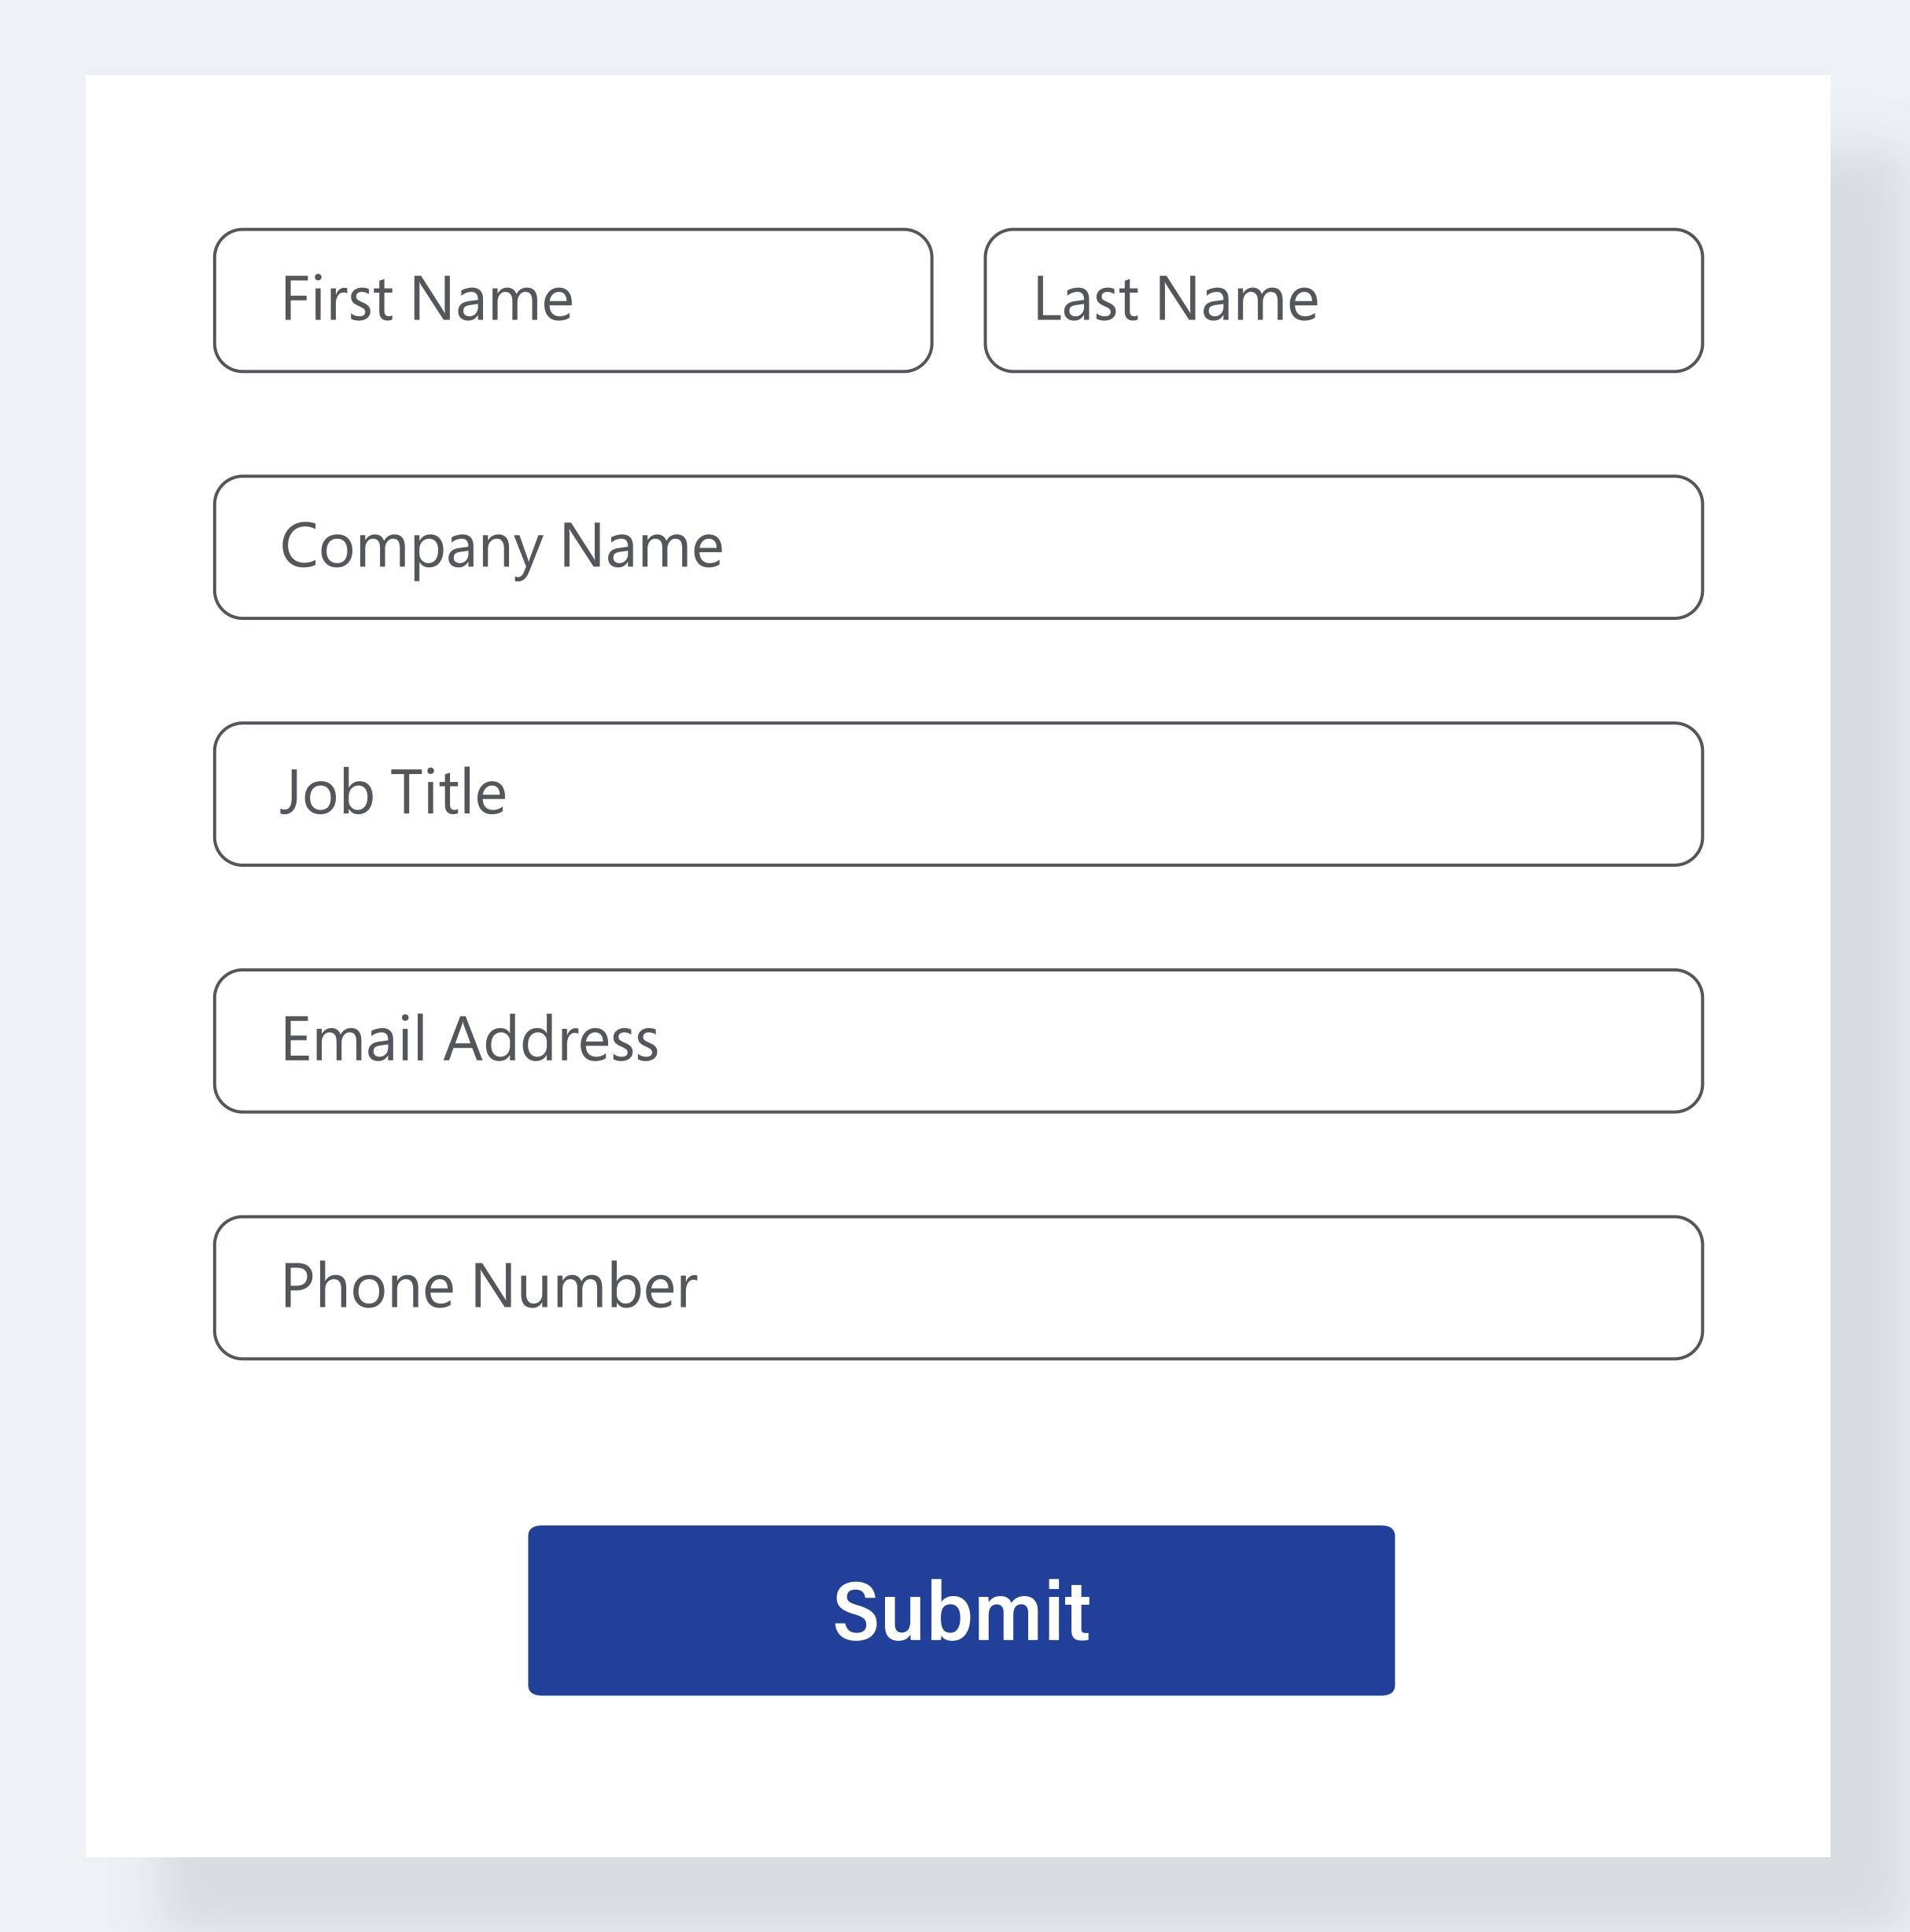

Let's start a conversation about your subscription management needs.

From automatically compiling your spreadsheet data to billing alerts,

Cubes makes it easy to view and manage all of your software licenses at
once in a user-friendly dashboard. With Cubes, you can also:

- · Create automatic co-term alerts to pay similar invoices at once
- Set expiration and billing alerts
- Upload your license information quickly and easily

Sign up to try out Cubes and see how you can simplify your license management.

Manage Licenses From Any Vendor
